

ANTI-HARASSMENT, DISCRIMINATION & CONDUCT EVENT POLICIES

The IWLCA promotes a positive, supportive environment at all of its events.

There will be zero tolerance for racist, homophobic, transphobic, sexist, threatening, retaliatory, obscene, or demeaning language or actions of any kind from players, coaches, spectators, officials, vendors, or staff. This includes on the field, off the field, and on any properties where an IWLCA event takes place.

Sportsmanship is KEY to a positive experience at IWLCA Tournament Series events.

This includes interactions between players, coaches, fans, and officials, as well as language and actions on the field, on the sidelines, in the stands, at the venue, and in the parking area – before, during, and after the event.

Officials

Only head coaches are permitted to address the officials throughout any tournament. Coaches are expected to communicate with and treat officials in a respectful manner, upholding the values and modeling good sportsmanship.
