# GENERAL INFORMATION

Welcome back! We look forward to hosting your team at one of our upcoming events. Please be sure to review this document in its entirety and share with players and parents prior to the start of the event and arriving at the venue. This document contains pertinent information regarding new safety measures, precautions, rules, and regulations that the IWLCA and Elite Tournaments have put in place to help mitigate risk and prevent the spread of the novel Coronavirus (COVID-19).

During these ever-changing times, the IWLCA and Elite Tournaments remain committed to providing high-quality events for teams throughout the Mid-Atlantic region and beyond. Coaches, players, and spectators alike should expect to see changes made to tournament rules, facility layouts, and more to ensure that the IWLCA and Elite Tournaments are remaining compliant with the Centers for Disease Control and Prevention (CDC), state, and local regulations. We greatly appreciate your cooperation and flexibility in adhering to these new regulations, as they are put forth for the protection of everyone's health and safety.

Large gatherings (such as lacrosse tournaments) create an increased risk of exposure, infection, and spread of COVID-19 according to CDC and state and local health officials. While the risks associated with the COVID-19 pandemic cannot be completely eliminated, the IWLCA and Elite Tournaments are dedicated to the mitigation and reduction of risk in order to host and operate the safest event possible. **By arriving on-site at this event, attendees knowingly and freely accept these risks.** Please reference the "**COVID-19**" tab on the IWLCA Recruiting website for additional information and resources.
